OLL 84-1310  
2 April 1984

Mr. Andy Dumas  
Office of The Honorable Richard J. Durbin  
House of Representatives  
Washington, D.C. 20515

Dear Andy:

Here are some unclassified papers  
on technology transfer and chemical-  
biological warfare. I hope they help.

As we discussed on the telephone,  
the Central Intelligence Agency is not  
much into unclassified reporting on  
these issues. If, however, Congressman  
Durbin would like classified briefings  
in these areas we will be only too happy  
to arrange it.

Sincerely,

Chief, Liaison Division  
Office of Legislative Liaison
